Current Openings

PHYSICAL THERAPIST - We are currently fully staffed but always looking for motivated and fun PT's to join our growing private practice! Don't hesitate to reach out to our owner Nate if you want to discuss future opportunities. nate@endurancerehab.com

Physical Therapist

Endurance Rehab is looking for a dynamic Physical Therapist to join our therapist-owned practice. We are an outpatient orthopedic clinic that is recognized as one the country's leading sports medicine centers for endurance athletes. Our patient populations span all ages and include non-athletes and professional athletes alike. Our goals are to restore function, increase endurance/strength/power, enhance recovery, correct biomechanics, and create a healthy environment so that our clients will excel in the race of life.

We operate three state-of-the-art facilities with the latest technology and equipment. Our staff is highly educated, athletic and upbeat creating a fun atmosphere for patient education and treatment. Our unique business philosophy emphasizes one on one patient - therapist interaction, leading to improved patient outcomes and therapist satisfaction.

The ideal candidate should possess a strong orthopedic and manual therapy background with interest in treating endurance athletes. Must be interested in working with a team approach that includes orthopedic surgeons, physicians, exercise physiologists, athletic trainers and coaches. ASTYM, dry needling, run gait analysis experience are helpful, but not required.

We offer a competitive salary, medical benefits, 401k, vacation and volunteer time off, continuing education reimbursement and opportunity for advancement. Relocation expenses are a possibility.

If you are interested in joining our endurance team of professionals please call 480-556-8406.
