Patient Rights & Responsibilities Consent for Treatment Medical Release

I,, hereby authorize Endurance Rehabilitation and/or its licensed medical professionals and such assistants to render any and all medical care deemed necessary and any additional care and supplies that are recommended.
Assignment of Benefits I authorize Endurance Rehabilitation to process claims related to my personal health or other insurance for covered services rendered to me. I also assign and authorize payment from said insurance carrier to be paid directly to Endurance Rehabilitation rendered on my behalf.
Financial Obligation Endurance Rehabilitation requires that all co-pays, co-insurances and deductibles be paid at the time of service. Failure to maintain a current patient account may result in the placement of your account with an outside agency for Collection.
Medical Record Release This will authorize Endurance Rehabilitation to release any general, medical, as well as Psychiatric/Psychological, drug/alcohol, and HIV testing information from my health records, per patient's request.
Third Party Liability Endurance Rehabilitation does not believe that a liability case against a third party is reason to delay payment of services. I agree that payment for services rendered is not contingent upon any settlement, judgment, or verdict of which they may eventually recover as a result of such liability cases. I agree to be ultimately responsible for payment in full for all services rendered.
Circumstantial Risk I have been made aware of the possible benefits, effects, and possible risk or complications associated with my care. I agree to accept the treatment prescribed to me and recognize that I am free to seek other opinions relating to my health.
Cancellation/No Show Policy When canceling your appointment due to scheduling conflicts we ask that you please do so by 4:00 the day prior. In high traffic times we keep a waiting list of patients that would like to have your spot if it is available. If you are unable to cancel your appointment by 4:00 pm the prior day, or if you are unable to make your appointment and do call us, you will be charged a \$25 fee.
I have reviewed and understand the Patient History, Patient Rights & Responsibilities, Consent For Treatment, Financial Responsibility, Medical Release, Cancellation/No Show Policy, and HIPAA Privacy Notice. A copy of the aforementioned paperwork will be provided upon request.
